Certain Vehicles Require an Exterior Tag

Certain vehicles are equipped with special vandalshield that may contain metal in the glass that prevents the E-ZPass tag from being read properly. Customers with these shields will be issued an exterior tag. Your NJ E-ZPass customer service representative will mail you the appropriate tag based on the make and model you indicate on the application.

- A traffic signal and message is immediately displayed to you just beyond the E-ZPass tag, with the exception of E-ZPass lanes.
